

### 1. Achieve Excellence in the Five A's: Academics, Activities, the Arts, Athletics, and Attitude

#### To achieve excellence in the Five A's, Jenks Public Schools will

- prepare all students to be productive and responsible citizens ready to meet the challenges of the 21st century.
- focus on the development of the whole child through integrated learning experiences that address the needs of diverse learners.
- foster, encourage, and celebrate creativity, innovation, problem-solving, and reflection in all learners.
- promote health and wellness for students, staff, and community members.
- provide a wide range of course offerings in a variety of formats.
- equip students with digital citizenship skills.

### 2. Focus on Fiscal Stability

#### To maintain focus on fiscal stability, Jenks Public Schools will

- increase community partnerships to supplement District resources.
- fully leverage funding sources for capital improvements and operational expenses.
- maintain a fund balance level that supports the District's ability to deliver key services.

### 3. Realize a Vision for Tomorrow

#### To realize our vision for tomorrow, Jenks Public Schools will

- ensure a safe and secure physical and digital learning environment for students and staff members.
- utilize diversified means of communication to connect with District stakeholders.
- champion college and career readiness for all students.
- maintain and support District technology initiatives that leverage 21st-century learning experiences.
- recruit and retain highly effective staff members.
- encourage collaboration and communication across District school sites and departments.
