

Community use of school playground

The public can use the playground and outdoor space during daylight hours on any day school is not in session and on any school day between 4pm and the conclusion of daylight hours. The principal may establish additional rules regarding conduct of the public during non-school hours.

For your safe and enjoyable use:

- all activities are at your own risk
- use equipment as it was intended to be used
- playground rules that apply during school hours should be referred to
- children should be supervised
- pets should be on leash, under direct control of owner, cleaned up after, have had proper vaccinations and been treated regularly for worms

Groups wishing to use this property for organized activities should contact the school office. For the full community use of facilities policy and school playground rules go to www.jenksps.org.
