

Welcome to Southeast!

Jenks Southeast Elementary is dedicated to preparing students for the future by developing a safe and secure learning environment which promotes positive self-esteem, respect for others, and recognition of each individual's educational needs. This focus creates a school culture which enables students to reach their fullest potential.

Our motto, Together We Can, accurately expresses the spirit of the school. Each day staff, students, and parents are provided with the opportunity to exemplify high standards and be mindful that all stakeholders contribute to the school's success.

Our House Team approach provides students with the opportunity to build their academic and social skills through a variety of interactions with other Southeast adults and students. We look forward to Team Tuesday events!

Through reflective practices, collaboration, and the celebration of our successes, we have the opportunity to introduce the District's Five A's of Excellence: academics, activities, athletics, attitude and the arts. Staff are empowered to promote the love of learning and encourage our students to take pride in being a Southeast Trojan. We are reminded daily that "What we learn with joy we never forget!"

Thank you for beginning your educational journey with us!
