

# PDSA - PROFESSIONAL LEARNING COMMUNITIES

## PLAN

### PLAN:

**Define the issue; assess current situation, analyze causes**

- ▶ Describe the PLC.
- ▶ What data was used to establish the need for the PLC?

## DO

### DO:

**Implement improvement theory**

- ▶ State the research that supports the exemplary practice that will be addressed in the PLC.
- ▶ Share how the PLC aligns with district and site goals.
- ▶ Who will facilitate the PLC sessions?
- ▶ State the location, dates and times of the PLC sessions.
- ▶ Who will be the participants?
- ▶ Describe the method(s) of study.

## STUDY

### STUDY:

**Study the results; measure progress toward accomplishing goals and/or results (quantitative data)**

## ACT

### ACT:

**Standardize improvement; continue with successful plan and continue the cycle, or refine and continue the cycle**

- ▶ What refinements are required? (To be decided upon completion of the PLC activity.)
