Message from the Principal:

June 1, 2018

Dear Parent/Guardian,

I am excited to share the results of our 2018 State of Oklahoma Report Card. This report card is published by the Oklahoma State Office of Educational Quality and Accountability and is made available for the parents and community patrons of all Oklahoma public schools.

Enclosed you will find data indicating how our seventh and eighth grade students performed on the Oklahoma Core Curriculum Tests (OCCT) administered in April and May of 2017. Our students scored substantially higher than the state average in all subject matters. You might be interested in viewing historical reports for JMS on www.EdProfiles.info.

We will continue to monitor academic performance of students in sub-groups that have historically struggled on standardized assessments and make adjustments as needed. Further, we will offer remediation services to those students who did not score satisfactorily on their exams in an effort to build their skills and strengthen their academic performance.

I am optimistic that this year's state test results will continue our "tradition of excellence." The results from this spring's testing will be available later in the fall. If you have any questions regarding this report card, please contact me at nick.brown@jenksps.org or call me at 918.299.4415, ext. 5303. It has been a pleasure serving your child this year and I look forward to another successful school year in 2018-2019.

Nick Brown
Site Principal
Jenks Middle School

2016-17 Student Performance *(Regular Education Students, Full Academic Year at This Site)*

The state of Oklahoma adopted much higher performance standards in 2017. The test results are therefore not comparable to those from previous years.
