PRE-RETIREMENT INFORMATION VERIFICATION

Please submit this cover letter and checklist of the forms and documents enclosed with this request

MAIL TO: Teachers' Retirement System of Oklahoma

Attn: Member Services

PO Box 53524

Oklahoma City, OK 73152-3524

I submit this request and documentation for the purpose of retirement planning. This is neither an official application for retirement nor an official designation of beneficiary or joint annuitant. I understand that documentation must be provided for the information to be included in the calculation of estimate or projection of retirement benefits.

If it has been over twelve (12) months since a Pre-Retirement Information Verification (Form 3) or verification of sick leave has been submitted by your current employer to the Teachers' Retirement System of Oklahoma, then a new/revised form and sick leave verification must be submitted. **If proof-of-birth documents or marriage license were previously submitted, it is not necessary to submit these documents again** unless marital status has changed or I am requesting calculations for a different joint annuitant.

Please find the following form and documentation enclosed with this request:

- _____ Pre-Retirement Information Verification (Form 3)
- _____ Copy of member's proof of birth (**mandatory**)
- _____ Copy of Joint Annuitant's proof of birth (*required to receive calculations of benefits for the one person named to receive lifetime benefit upon death of member*)
- _____ Copy of marriage certificate or license (*if married to Joint Annuitant*)
- _____ Verification of 120 days of accrued/unused sick leave (*for calculation of sick leave credit*)

I understand if I am over twelve (12) months from normal retirement eligibility, I may receive a multi-year retirement projection. However, if I am within twelve (12) months from my requested retirement date or normal retirement eligibility, I may receive an estimate packet entitled *Application to Retire*. I understand that if I wish to pursue retirement, I must complete the *Application to Retire* packet and submit the forms within the designated timeline to receive an official retirement contract packet (which also must be completed and submitted for retirement).

Retirement date falls on the first day of each month. The age of member within the first ten days of the month is accepted by TRS as the member age on the first day of the month (i.e. on birthday of July 10 member is age 55, TRS accepts member as age 55 on July 1).	Submit a Pre-Retirement Information Verification (Form 3) and requested documentation to receive a retirement estimate. After a Form 3 is on file, revised estimates may be requested following the same timeline. After Form 3 submission or member request, one of the following will be mailed to you: Projection: Includes a range of several years and is provided if requested retirement date is more than 1 year into the future. Hypothetical Estimate: Includes unpaid service and billings and any other hypothetical possibility than can affect retirement. Cannot be used to begin the retirement process. Application to Retire: Used to begin the retirement process. The ATR cannot include unpaid balances.	The Application to Retire (ATR) is signed and will designate choice of retirement plan and partial lump sum option. The ATR must be signed by both member and spouse (if married). A Retirement Contract packet will be mailed after ATR has been received. The Employer Retirement Verification is to be completed by the employer.	The signed & notarized Retirement Contract, Tax Withholding, and Direct Deposit forms are due to TRS no later than 30 days prior to retirement. PLSO Distribution Election form can be submitted at any time. Benefit payments may be adjusted after final remittances are received.	If member's last day of work is no later than the tenth day of the month, the member may retire the first day of the same month. However, if you qualify for the 90-day (75%) round up provision, then employment must terminate at the end (last day) of the final contract year. Terminating employment before or after last day of final year disqualifies this provision.	The first benefit payment is direct deposited to the member's account one month after the retirement date. Benefits are paid in arrears the first day of following month. (i.e. January retirement benefit -- minus taxes and health insurance for the month of January-- is direct deposited to member's account February 1.)
