

Student Parking Permit Application and Alcohol and Illegal Drugs Contract

Statement of Purpose and Intent:

Parking on the property of the Jenks School District is a privilege and not a right. Such privilege is governed by the Jenks School District Policy on Alcohol and Drug Testing of Students Participating in Extracurricular Activities and/or Parking on School District Property (the "Policy"). This policy is found in the Jenks Policies and Procedures Handbook and the Student/Parent Handbook. Alcohol and illegal drug use of any kind is incompatible with the privilege of parking on the property of the Jenks School District. Students who park on School District property operate vehicles in close proximity of other students. Because of this, the potential harm from misjudgment or impaired judgment of a student is great. Students who park on School District Property carry a responsibility to themselves, their fellow students and members of the public to operate their vehicles in a safe and reasonable manner, which includes avoiding the use or possession of alcohol or illegal drugs at any time during the school year, including non-school days.

Parking Permits:

For the safety, health and well-being of the students of the Jenks School District, the District has adopted the Policy and this Parking Permit Application and Alcohol and Illegal Drugs Contract (the "Parking Permit Contract") which shall be read, signed and dated by the student, parent or custodial guardian before such student shall be eligible to apply for a parking permit. **No application for a parking permit will be considered until the student has returned the properly signed Parking Permit Contract.**

I understand after having read the Policy and this Parking Permit Contract that, out of care for my safety and health, the Jenks School District enforces the rules applying to the consumption or possession of alcohol and illegal drugs. As a driver, I realize that the personal decision that I make daily in regard to the consumption or possession of alcohol and illegal drugs may affect my health and well-being as well as the possible endangerment of those around me. If I choose to violate the Policy regarding the use or possession of alcohol and illegal drugs at any time during the school year, including non-school days, I understand upon determination of that violation I will be subject to the restrictions of any parking permit issued to me as outlined in the Policy
